Concept English 2017/2018 Focus Standards* 11th Grade

Every unit includes the state standard that is equivalent to "Cite textual evidence; make inferences." Also, our balanced approach requires a focus standard for each area in our unit. And units spiral, meaning teachers introduce many of the standards early in the year and then spiral back for mastery. **Unit = 5 to 7 weeks**

^{*}Think of this as an overlay to the Curriculum Maps. Units cover multiple standards and are designed to spiral. The ability to use the focus standards and to determine other standards/skills that are needed for mastery depends on the students reading levels and data that will be used to show mastery. NOTE: Missouri distinguishes between inferring and making logical conclusions.
